

From Healing to Home

With a focus on returning you to the active lifestyle that you enjoyed before your stay with us, Passport Rehabilitation is your ticket to health and independence. Our program is customized to cater to your individual needs, while creating a retreat with the conveniences and amenities to keep you comfortable. We strive to provide the best possible course of treatment, during your stay with us until long after you've returned home.

REHABILITATION

Your Way Home

Leading the Way to Recovery

After a hospital stay or surgical procedure, every patient is eager to return home and resume an active lifestyle as quickly as possible. The Passport Rehabilitation program is designed to accommodate the needs of our patients, and to provide a tranquil, nurturing and supportive environment that facilitates a swift and healthy recovery. With the latest techniques and treatments, our staff is prepared to meet your individual medical needs and personal preferences, with a therapy program customized for you. We are dedicated to providing the right atmosphere to foster the best rehabilitation experience, while you regain your health.

Preparing You for Independence

We believe in interdisciplinary rehabilitation, and approach your therapy with a variety of methods to ensure the most quality outcome. The Passport Rehabilitation program was designed to educate you through every step of the rehabilitation process, which is crucial to success.

From admission through discharge, Passport Rehabilitation is committed to keeping you and your family well informed with your treatment and progress. We train you on how to continue your therapy after you have returned home to ensure a complete recovery.

Clinical Excellence

Passport Rehabilitation is prepared to guide you on the path to returning home. We employ trained specialists equipped with a diverse set of skills who are ready to field the most unique challenges in your rehabilitation process.

With the Passport Rehabilitation program, our ultimate goal is to restore you to health. We understand that every person under our care has distinct requirements for therapy. Your individual rehabilitation is tailored to a series of realistic, short-term achievements based on getting you home. We encourage you to meet with our interdisciplinary team of specialists to discuss your goals and expectations prior to your stay.

With a patient-centered approach to care, our program is designed to provide you with the skills and abilities you need to live a healthy and fulfilling life. Our specialties include:

Occupational, Physical & Speech Language Therapy

During your recovery, you deserve to be indulged. We strive to create a haven of space for you to recuperate in, and to provide what you need make you feel comfortable. You are provided with finely appointed accommodations and we know that after a long day of therapy, you want your room to be anything but clinical. We offer entertainment and recreational programs, such as:

- Private accommodations available
- Telephone and Cable/ Satellite TV services
- Room Service
- Wifi
- Spa-like Amenities
